LATEST NEWS: NEW ORGANIZATION PLEDGES ITS SUPPORT TO THE MILITARY

Lockheed Martin Shows Their Support For Fleet Week San Diego

SAN DIEGO, April 23, 2008: Fleet Week San Diego is proud to announce the addition of a new sponsor who has dedicated its support to the foundation, which hosts annual events to show recognition to military personnel and to honor the service that they have provided this country. The two-star level sponsor is Lockheed Martin Corporation.

Lockheed Martin Corporation: Lockheed Martin Corporation was formed in March 1995 when two of the world's premier technology companies, Lockheed Corp. and Martin Marietta Corp., merged. Lockheed Martin is headquartered out of Bethesda, Maryland and employs over 140,000 people across the world. They specialize in the research, design, development, manufacturing and integration of advanced technology systems, products and services. The majority of Lockheed Martin's business is with the U.S. Department of Defense and U.S. federal government agencies and they are considered the largest provider of IT services, systems integration and training to the U.S. Government. Lockheed Martin is constantly contributing to initiatives and non-profit organizations nationally, regionally and locally. Lockheed Martin Corp. prides itself on playing an active role in helping to strengthen the quality of life in our country and the communities we call home.

Fleet Week San Diego Fleet Week San Diego is a nonprofit, public benefit corporation. In addition to honoring the military services through the annual Fleet Week events, the foundation's goals are to foster awareness of the contributions made by enlisted military personnel and their families, to enhance relationships between the civilian, business and military communities, to provide events that military personnel and their families can attend at little or no cost, and to raise funds for charitable efforts benefiting enlisted service members and their families.

The mission of the Fleet Week Foundation is to provide support, encouragement and recognition to our Military Patriots that serve our community and our nation. The Foundation arranges over 20 events throughout the year, including the Coronado Speed Festival, Red Bull Air Races, Sea & Air Parade, Enlisted Recognition Luncheon, Miramar Air Show, Navy Ball, the Fleet Week Football Classic, Operation Liberty Call and the Fleet Week Padres Baseball Game. Thanks to the overwhelming support from regional businesses and the people of San Diego, our Fleet Week has become the largest "thank you" to the military in the nation and has adopted the tag line, "Fleet Week, Honoring our Military throughout the Year".
