COLLEGE FOOTBALL

San Diego State is partnering with Applebee's restaurants in offering a pair of ticket packages for the upcoming football season. Fans purchasing either the SkyShow mini plan or the Homecoming mini plan will receive a \$20 Applebee's gift certificate. Both plans are \$40 and include three home games. The SkyShow plan includes the annual KGB SkyShow against Southern Utah on Sept. 12. The Homecoming plan features the Fleet Week Classic against BYU on Oct. 17. Fans then can add any two of the Aztecs' four other home games. Either package can be purchased by calling (619) 283-7378 or online at GoAztecs.com.
