

Sharon Bernie-Cloward
Director of Board, Fleet Week San Diego

Sharon Bernie-Cloward is using her 20 years of experience in communications, marketing and event planning to execute the many details of Fleet Week San Diego serving as director for this year's events.

She dedicates her time to the community by serving on such boards as the Point Loma High School Parent Teacher Association and the Point Loma Association. Sharon is also a certified U.S. Captain with a 100 ton license and sailing endorsements. She loves participating in sailboat races and stays active by jogging and hiking.

Sharon has earned two bachelors degrees in International Business Marketing and as a Registered Nurse. She has used her diverse skills to work in a variety of careers including nursing at Children's Hospital in Oakland, acting as president of San Diego Port Tenants Associations and as executive assistant of the American Cup 1995.
