

Red Bull

AIR RACE

SPECTATOR CRUISES

Join the many spectators on San Diego Bay to watch the world's most talented pilots race against time as they maneuver through a challenging race course. Pilots compete in knockout rounds with the two fastest pilots going head to head in the final. What makes the Air Race so exciting and interesting for spectators is the proximity of the contest to the crowds. Low level flying on a relatively compact course means that people can really experience all the action close-up.
